

RECYCLE YOUR PERSONAL CARE AND BEAUTY PRODUCTS

Most of us are careful about recycling packaging from our kitchens, however when it comes to the products on our bathroom shelves we still have work to do! That's why we are partnering with **TerraCycle**® to insure that personal care and beauty products are recycled.

Garnier is committed to sustainable, environmentally-friendly beauty and have launched the **Garnier Personal Care and Beauty Recycling Programme**, which allows us to recycle all your beauty packaging.

Not only are you helping the environment, but the waste you recycle with us can also help raise funds for our school or organisation.
